

An FCA-FAC Workshop on

# **How to Organize an All-Candidates Meeting**

7 pm-9 pm Thursday March 15, 2018

MacNabb Community Centre

180 Percy St. (corner Bronson & Gladstone)

With two elections happening this year (*Ontario provincial election June 7; Ottawa municipal election October 22*), community associations are often expected to hold all-candidates meetings for their residents – but how to do this (and do it right)? This free FCA-FAC Workshop is designed to enable community associations to provide this service for their residents, in a manner that is efficient, fair and useful to their residents.

Topics covered include:

- Why organize an all-candidates meeting for this spring's provincial election and/or this fall's municipal election?
- How to find a venue and plan event logistics
- Who to invite and when
- Format of the meeting: how to handle questions (& questioners)
- Letting your community (and others) know about your event

To register please e-mail [info@fca-fac.ca](mailto:info@fca-fac.ca) .

*FCA-FAC membership is not required. All community association leaders are invited.*
