

FCA Workshop: Instructions for the new Committee of Adjustment

Saturday Oct. 22 from 9 a.m. to 12 noon via
Google Meet (register via rsvp@fca-fac.ca)

One of the first tasks of the newly-elected City Council is to re-establish the Committee of Adjustment and seek new members for it. This provides an opportunity for Council to also instruct the new Committee of Adjustment on how it conducts its business. This FCA workshop is to develop recommendations from the FCA to assist City Council in its instructions to the new Committee of Adjustment.

Last June 9 the FCA held a workshop on best practices at the Committee of Adjustment – the presentations can be found here: <http://fca-fac.ca/2022/06/best-practices-at-committee-of-adjustment-documentation-from-june-9-workshop/>
It is recommended that participants review this in order to facilitate discussion at our workshop

Agenda:

- (1) Review of Committee of Adjustment role & responsibilities
- (2) Review of City of Ottawa Infill Guidelines
- (3) Discussion Groups
- (4) Report from discussion groups
- (5) Next Steps
